**B. Five Steps To Giving Thanks This Week**

1. On a piece of paper, write down what you are thankful for. Keep adding to the list as the week goes on.
2. Spend time with family and friends this weekend, and share together about some things that you are thankful for.
3. Clean out your family's closets and donate new and gently used clothing to the Salvation Army, or another charity, and be thankful that God has blessed you to bless others.
4. Make a decision that you will keep being grateful to God and to others even when things aren't going just the way you planned them. (In church, and in your everyday life).
5. Make a sacrificial gift to FGT or to another ministry recognizing God faithfulness in your life to be able to do such a thing.
