B. TAKING IT HOME

1. In your life, what things are stressing you out, or are imperfect this Christmas?
2. Have you made these things a consistent matter of prayer, or is that something that you have neglected?
3. How will trusting in your God rather than trusting in what you can see with your own eyes make a difference in your life? What action step can you take this week to practice trusting in God?
4. Drop me a note at the church office or email jstewart@fgtchurch.com telling me how this message spoke to you, and how it has (or will) impact you throughout the coming week.
